de l'Epee Deaf Center
Hancock Co. Food Pantry

Help us collect much-needed food items beginning on Sunday, June 21, the nationwide United Way Day of Action. Collect food throughout the week, and donate your food by Friday, June 26 to make a difference in the lives of South Mississippians who need your help!

Volunteer Gulf Coast and United Way of South Mississippi are leading the effort to restock the shelves of Gulf Coast food pantries.

The need is greater than ever before, with a reported 48% increase in food requests, and a higher number of recently unemployed individuals.
